Dear friends,

greetings, and love from Sujith and Sourab
from India.

We are brothers. our names are B. Sujith
and B. Sourab. we are studying 5th standard
and 3rd standard. Today we all in family
are very very happy because of the electrical
wheel chair.

It was very difficult for us till now. we
could not walk because of our disease. Though
we try to walk, we collapse in between and
take a lot of time to get up. It was very
difficult for us when we go to school. Doctor
told no medical treatment for our disease.
Doctors suggested a battery wheel chair. It is
expensive, our parents cannot afford.

now we are all happy. Thousands of
thanks to you. All for donating the battery

wheel chair. now ~~now~~ we are very confident
we can go to school daily without any
problem

Greetings to you all our friends.

Sincerely
your beneficiaries,
SUDITH and SOURAB
