

Insurance for Inbound Students in Germany

In accordance with the Rotary exchange rules all students have to have a **Health and Liability Insurance**. The German Rotary District Governors have decided that all Inbound students coming to Germany have to be insured with the German Insurance Company Hanse-Merkur Versicherungs aG. The cost have to be covered by the Inbound student.

The insurance is prearranged before your arrival. Your Host Club has the necessary application forms ready. Your Counselor or Host Family will help you to fill out this application. Bring **Euro 360**. You have to complete the insurance application and transfer the money to the insurance company within two weeks after arrival.

IMPORTANT: Please do not transfer money from your home country and do not bring checks other than traveller checks to avoid additional Bank costs which you would have to pay later.

Before you buy Insurance in your home country please make sure if an additional insurance besides the German insurance is really necessary.
